

Installation credits up to \$1,000 for Mack & Volvo reman transmissions, carriers, & engines.

For a limited time, receive labor credits and extended warranty coverage when you purchase and have the following products installed by us. See the back of this flyer for details.

7/8 Engine Benefits

- Dyno-tested and verified
- Average installation time savings is 1-3 days of uptime
- Completely disassembled and remanufactured by factory trained technicians in a controlled factory environment
- Only 100% Pure Mack components are used for guaranteed quality and reliability
- REMACK 7/8 Engines meet or exceed all original production and performance specifications
- All engineering and technical improvements are incorporated into the engine

REMAK® Carriers

Completely disassembled, cleaned, inspected, and remanufactured to factory specifications. All bearings, cups, and seals are replaced with 100% new parts. Where applicable, carrier components, power divider, and lock-out assemblies are completely remanufactured. Throughout the manufacturing process, gear patterns and preloads are checked to ensure proper specifications are maintained.

- 2 years / unlimited miles

REMAK® mDRIVE® Transmission

Available in three service configurations, each mDRIVE® solution is built using only Mack parts and remanufactured by Mack-certified technicians.

- 1 or 2 years / unlimited miles
- Extended coverage of 3 years / 350,000 mileage available*

*Warranty only applied to certain complete offerings

REMAK® MAXITORQUE® T200/T300 Transmissions

Offering 5-18 spd. models and overhauled to meet your needs. Completely disassembled, cleaned, and inspected. All bearings, seals, gaskets, and worn and spalled gears are replaced with brand new parts. Dyno-testing and built utilizing the latest synchronizer assembly and front shift covers to ensure smooth shifting and better performance.

- 2 years / unlimited miles

Volvo Reman I-Shift Transmission

Available in four service configurations, each I-Shift solution is built using only Volvo parts and remanufactured by Volvo-certified technicians.

- 1 or 2 years / unlimited miles
- Extended coverage of 3 years / 350,000 mileage*

*Warranty only applies to certain complete offerings
