Factory-Quality Painted Hoods, Ready to Install

Get genuine Mack® and Volvo® painted hoods through DEX Heavy Duty Parts, finished with the same Axalta Imron® paint used at the factory. Available in single or fully dressed configurations and can be painted to match your fleet.

Single hoods include: installation brackets, cross bar, j-brackets, hood latches (select models)

Dressed hoods include: everything single hoods include, plus air intake grills, head lamps and harness, trim and bellows, splash shields, sound insulation, inner fender extensions, hood mirrors, grille, and bug screen.

Contact your OPS or local Ballard location for pricing and availability.
